## “Dine Out ” Supports the AHC

At the Architectural Heritage Center, our education programs and exhibits forge the link between people and places, between buildings of the past and the living communities of today, to encourage the preservation of the vintage buildings that make up the character of our city and neighborhoods.

We recognize the importance of vibrant local businesses like yours, and we encourage you to help us tell your story by participating in our “Dine Out for the AHC” fundraising opportunity. Whether or not your restaurant is a “vintage” building, your support of our work is a tangible expression of commitment to *maintaining the spirit and character of our community.*

By generously donating a portion of your daily proceeds, you will help support our ongoing historic preservation education programs and our ability to provide technical assistance to community preservation efforts.

Several “Dine Out” events are held each year, all over the city. The events are promoted through our website and to the thousands of recipients of our quarterly newsletter. We generally draw from 50 to 75 members & friends to each event and it’s always a fun time. We value the opportunity to share information about our programs with new folks and introduce our supporters to a local restaurant or neighborhood they may not have visited before.

We hope you’ll join our growing list of generously supporting restaurants:

- ☞ Chipotle Mexican Grill
- ☞ McMenamins, Barley Mill & Ringler’s Pub
- ☞ POUR Wine Bar
- ☞ Sckavone’s Restaurant
- ☞ VAULT Martini
